To Rajasevaparayana

Secretary to the Government of His
Highness the Maharaj of Mysore,
Finance Department.

SIR,

I have the honour to forward herewith copy of resolution passed at the Ayurvedic and Unani College Committee at their meeting held on 9th July 1930 in the matter of the appointment of a part-time Science Lecturer and a part-time Ayurvedic Pandit and to state as follows:- The students undergoing training in the Unani and Ayurvedic Colleges are required to acquire a fairly good ---- knowledge in Physics, Chemistory and Botony. These subjects are at present being taught by Mr. Sitharama Sastri in addition to his other work. As he will not be in a position to do justice to his regular Ayurvedic work in the hospital by attending to the teaching of Science subjects also, it was felt that a separate part-time lecturer in the Science subjects might be appointed to relieve -- Mr Sitharama Sastri of this work. As there are 2 high Schools and an Intermediate College in Mysore it is possible to secure the services of one of the Science Assistants in these institutions -- to teach these subjects for one hour a day in the forenoon session on an -- allowance of Rs.25/- per mensem. The present staff of the ----- Ayurvedic College is over worked in as much as some of the lecturers are attending to hospital work in addition to college work. Last year alone the difficulty of coping with the teaching work was experienced and Mr. T. Krishna Sastri a learned Ayurvedic Pandit was appointed for a period of one month in March just before the --- - examinations. In view of the increasing popularity of the -------

the Hospital section the hospital work of the Senior Pandit Mr. Biligeri Aiyangar has increased considerably and it has been found impossible for him to take up teaching work in the college more than 6 hours. The necessity was therefore felt for a part time Pandit taking classes for 18 hours a week and the Committee have resolved to employ Mr. T. Krishna Sastri on this work. Agreeing with the above proposals of the Committee I request that early orders of Government may kindly be obtained sanctioning the same. The extra cost to be incurred by the entertainment of the proposed additional hands may be met from the general savings --- expected to be realised in the college grant for the current year. From next year on-wards separate provision will be made in the -- budget itself. I have, in anticipation of the kind sanction, -- issued instructions to entertain the fresh hands as the work of the college has already commence after the long vacation and the teaching work will suffer if the appointments are not made at once. I request approval for my action.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
